

NCACCH PROFILE

NCACCH is an Aboriginal Community Controlled Health organisation delivering services through a unique Brokerage Model.

We provide Aboriginal and/or Torres Strait Islander community members and their families with access to health providers across the Sunshine Coast, Hinterland and Gympie regions.

Providing identified gap services, NCACCH does not duplicate existing Aboriginal and/or Torres Strait Islander health services, already provided through the public or mainstream system.

NCACCH provides services that are:

- Culturally appropriate
- Best value for money
- Meet specified needs
- Supported by community

NCACCH has a vision to "Close the Gap" in the health status of Aboriginal and/or Torres Strait Islander people through a holistic approach to client health and wellbeing.

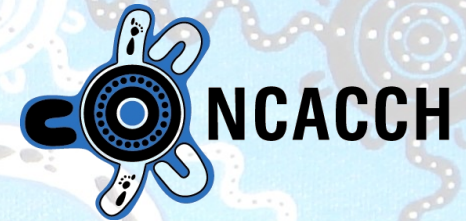

Funded by The Australian Government
Department of Health

North Coast Aboriginal Corporation for Community Health

"Your Pathway To Better Health"

*"We acknowledge the Traditional Custodians
of the land on which
we live and work"*

NO COST VISITS TO THE DOCTOR

NCACCH provides access to over 410 doctors across 70 registered Practices who will bulk bill our Aboriginal and/or Torres Strait Islander clients and eligible family members.

To be bulk billed, you will need to be a current NCACCH Health Access Card (HAC) holder*. If you don't have a current card, please contact NCACCH on how to apply for a Health Access Card.

Present your HAC with your Medicare Card at any of our participating GP locations.

🎯 Please ask your doctor if you qualify for discount medications on the Close The Gap (CTG), Pharmaceutical Benefits Scheme (PBS).
