

NCACCH | North Coast Aboriginal Corporation
for Community Health

04 April 2022

NCACCH Update #11 on Coronavirus (COVID-19)

As NCACCH continues to operate under its COVIDsafe Plan and services progress back to usual practice, the NCACCH Board still advise our members, clients, and community to continue following the Commonwealth and State advice in practicing good hygiene, physical distancing and staying home if you are unwell.

The NCACCH Board appreciate member, client, community and stakeholder support in complying with the required physical distancing when attending NCACCH office and activities.

Effective 18th April 2022, NCACCH community programs will be returning to normal. This includes: Men's and Women's Groups, Exercise Groups etc. However, physical distancing and COVID-safe measures may remain in place and will need to be complied with. Some changes you may notice are: catering, set-up, seating and restricting numbers for group attendance.

Please also be reminded, all services and operations at NCACCH Head Office (Birtinya) and Gympie have returned to business as usual. This includes all Referral processes, please contact NCACCH or a NCACCH Referrer to access required services.

Additional COVID-19 services:

- Continued NCACCH-led Covid-19 vaccination services; available across the Gympie and Sunshine Coast regions Monday – Friday until 30th June 2022.
- Mental Health Covid-19 Support Nurse; offers additional support to clients who have been impacted by COVID-19.

The NCACCH Board would like to acknowledge the strength, commitment and support of its community during these times and appreciate the patience you have shown the organisation as we try to adjust our business to suit the current situation.

If you are feeling unwell, or have any Covid-19 symptoms, no matter how mild, you should get tested.

NCACCH also encourages clients to receive Covid-19 vaccinations including boosters.

If you would like further information, contact 13HEALTH (13 43 25 84) or visit the Queensland Government website for the latest updates at <https://www.qld.gov.au/health/conditions/health-alerts/coronavirus-covid-19>

The NCACCH Facebook and webpage, www.ncacch.org.au will continue to be updated. If you have any questions or you would like to book for COVID-19 vaccinations, please contact NCACCH on 5346 9800.

Yours Sincerely

Helen Felstead

On Behalf of the NCACCH Board
