A bit about me

Hi I'm Bec and I have extensive experience working as a hospital and community Dietitian. I have also worked in specialised diabetes clinics and completed further studies in ARFID responsive feeding therapy. I love my job and am passionate about supporting each person to create sustainable and achievable, positive health change!

Cost of Service

Bulk billing service for those with allocated medicare visits under a GP Management Plan or Team Care Arrangement.

5x medicare funded visits available per year to Allied Health.

5x additional visits available for Aboriginal or Torres Strait Islander patients.

NDIS, DVA, TAC or My Aged Care clients will be invoiced at rates as per their applicable funding packages.
